

**Keep on believin' tha t sun's still h
A little light our way
Bright enough to keep us warm &
Keep on hopin' that the sun ain't
jok
& rain will stay away
cause we got plans to hear the
band
who's setting up today**

**2 lose yr blues u gotta lose yr
shoes
no socks, no never mind
There's music in the village square
& watermelon on the vine
A crowd aged 8 to 80
All tapping feet in time
27 strings pick Glendale Train
in summer's bright sunshine**

Stolling past a statue...

**Mister, it's all over put down yr
The fiddler's hot, the banjo's not
The sun ain't leavin' so stop your
U gonna make me yawn
Nothing could feel better than
Barefoot on the courthouse**

**BREAKDOWN Opening riff
BEETHOVEN RIFF**

**To lose our blues u gotta lose yr
shoes
No socks, no never mind
No sandals & no sneakers
The fresh cut grass feels find
Sippin' cool mint julips
The band plays on & on
U never cud feel better than
Barefoot on the courthouse (2x)**
