She says it's "mee-know" I say it's "my-know"  
She says "we're fee-no" I say "that's fine-oh"  
I'm playing the game tho' I'm long in the tooth  
I feel like a beer n' she's cravin' vermouth

So let's throw a party lasting till dawn  
With jugglers on horseback & all kinds of songs  
With friends of the bride a-whispering to  
The one who spent life in love with you

*LET'S SAY GOODBYE LIKE WE SAID HELLO*  
Why should we try does anyone know?  
We'll call it a day like a sun setting low  
Let's say goodbye like we said hello
