

**The UK's most inventive
acoustic act!**

THE

**Featuring ex-Long Ryder
SID GRIFFIN**

COAL PORTERS

**"A feast of highly crafted ensemble
playing with the odd virtuoso turn"**

UNCUT Magazine ★★★★★

**"Sid Griffin was playing Americana years
before the term was invented and that
pioneer spirit shines on in his current
band, the Coal Porters"**

Billy Bragg

**"Not your average fish and chips bluegrass,
the Coal Porters have expanded their
music with broad strokes and
fearless execution"**

Chris Hillman (The Byrds/Flying Burrito Brothers)

**"Great harmony singing and memorable songs that often recall
a British Flying Burrito Brothers or a back porch Ronnie Lane"**

MOJO Magazine ★★★★★
