

Em Hush u babe, keep it quiet
Em no more tears, u best deny itG
Em we're on our own, (we) had to try itG
Am hush child, don't u cry or weep
Em pray the Lord your soul to keep
Am this train has no track of time
D7 but this family is still all mine

Em Dear heart, we're so alone
Em just remember, we're headed homeG
Em u trust yr Ma, we so love you G
Am I'm scared, what can I do? Em
Am so very scared, right thru & thruD7

EmGood FShepard, bless this road Em
For your D cargo's a heavy load Em
Full of F hope & fright & rage Em
But better C death than another D7 cage

Em ten miles a night w/out a wordG
Em sshhh, is that a hound I heard? G
Am u know what happens if we're foundEm
Am side by side we'll lay in Heaven's
groundD7

Em Poppa's right, we must not fall G
Em till we rest 'neath Selema Hall G

**Am then cross the Ohio on a raft of birch
Em**

**Am to raise our voices loud in Town
Clock Church D7**

Em I smell the magnolia on the vine
Em Just taste the air, as sweet as wine G
Em hush u babe, there's little time G
Am sounds like someone getting close,
I pray it's not the Holy Ghost Em
Am a few more miles, then we're there
D7 I love u all, I do I swear Em
